Dear R-7 Middle School Parent:

The International Baccalaureate program has been an integral part of the Lee's Summit R-7 School District since 1987. Whether your student will be a Tiger, a Titan, or a Bronco, Advanced Studies and IB courses are available. Due to its outstanding reputation for high standards, IB courses are recognized by universities through admissions, college credit, and scholarships. More importantly, our IB graduates praise the program as an essential part of their college preparation in reading, writing, critical thinking, time management, and information literacy. As IB coordinators, we are pleased and proud to serve those students who choose the most challenging courses available to them in the Lee's Summit R-7 District.

You are invited to attend a **Lee's Summit R-7 IB Open House** for 8th grade students and their parents on **Tuesday, January 10, 2011**. This open house format will allow students and parents to browse information booths in the **Stansberry Leadership Center located at 301 NE Tudor Road from 6:00 pm to 8:00 pm**. Booths will feature information on the following: enrollment options for 9th grade and beyond, what to expect in Advanced Studies and IB classes, IB student life, and general information on the International Baccalaureate program. You will have an opportunity to meet Advanced Studies and IB teachers, counselors, IB students and IB alumni. The IB coordinators from each high school will be available to answer questions.

You may drop in anytime between 6:00 pm and 8:00 pm for our open house. If you wish to hear a more detailed presentation on the International Baccalaureate program, please plan to attend one of our presentations in the **Board Room** of the Stansberry Leadership Center. The first presentation will be 6:30 – 7:00 pm with the same presentation repeated for your convenience 7:15 – 7:45 pm.

Light refreshments will be served throughout the evening.

We look forward to meeting you!

Sincerely,

Mr. Chris Bobal
LSHS IB Coordinator

Mr. Blake Little
